Local motocross talent competing in Greece

On behalf of the local community Murray Cowper MLA would like to wish Liam Robertson of Pinjarra all the best on his venture to Greece, where he'll be part of a team representing Australia in the 'World Enduro Championship'.

Liam has risen to local prominence in the motocross sport in the past few years and is a talented young rider.

"He is the youngest member of the travelling squad and I'd like to wish him all the very best" Mr Cowper said.
