Lions Club receives Lotterywest grant

The member for Murray-Wellington Murray Cowper had the pleasure of presenting a Lotterywest grant to the Lions Club of Australind this month.

The grant was given to the Australind Lions on behalf of a range of disability services groups which are joining together for an event called 'The Create-ability & Creativity Day'.

The \$8887 will go towards advertising, equipment and venue hire for the community day to be held on December 3 2008 at the Bunbury Regional Entertainment Centre.

"I would like to congratulate the Australind Lions Club on receiving this grant. The event will give people with disabilities the opportunity to showcase what they do in the community," Mr Cowper said.
